March 2024

From the WMU

We in WMU and our churches are known as great pray-ers. Our missionaries depend on us lifting them up to the Father. We pray for our missionaries daily. We do have a special emphasis each year for our NAMB missionaries and our IMB missionaries. The Week of Prayer for North American Missions is March 3-10. This is a time we can learn about missionaries on the field and pray for their prayer requests. We also collect our Annie Armstrong Easter Offering that supports our North American missionaries. One hundred percent of gifts given to the offering go to the field to support more than 2,900 missionary families serving across the United States and Canada. These men and women are planting new churches in unreached communities and meeting needs through compassion ministries.

The North American Mission Board serves the United States, Canada and U.S. territories of Puerto Rico, Virgin Islands, Guam, American Samoa. There are 281 million estimated lost.

You can find video mission stories at anniearmstrong.com/resources/ and creative campaign ideas and resources for kids/youth at anniearmstrong.com/kids/.

Please pray for our missionaries and their families, safety during travel, physical health and mental health, and spiritual health.

Pray their needs will be met, including their family's financial needs as well as ministry needs, especially finding a good location for their church plant to meet and reaching out to the community they are serving. Pray they will have believers join in the work to serve on mission. Pray they will be encouraged when they struggle. You will find specific prayer requests to pray throughout the year at namb.net/pray/, and missionary's birthday prayer calendar at wmu.com/prayercalendar.

AN ACTS 1:8 MINISTRY

Join with churches from across the Carrollton Baptist Association on a journey of a lifetime. With evangelistic efforts, we can see villages, except Christ through our serving and discipleship.

CONNECT

The Carrollton Baptist Association churches will be able to connect together with local churches from Nicaragua. We will help in equipping and strengthening small churches. Through our evangelistic efforts, this will lead us in helping local communities in planting a new Baptist church.

PARTNER TOGETHER

Our mission team will be able to work together in a variety of ministries that could include personal evangelism, sports camps, evangelism in local schools, alongside kid's, women's, and men's ministry. We will work together to determine which ministries are best for your team. We will try to utilize the gifts and skills that your mission team has while making an impact and meeting the needs of the community we serve in Nicaragua.

Pastor Spotlight—Rev. Tommy Driver, Pastor Mt. Zion Community Church

I was blessed to have a mother who desperately loved Jesus. She was dedicated to her local church and ensured that her three children were at church every time the church met. In 1985, as an eleven-year-old boy, God, in His great mercy, saved me. Sadly, as many young adults do, I was very inconsistent in my faith for many years. I met Michelle in 1990 on a blind date, and this past December, we celebrated 29 years of marriage. Following a sermon by Rev. Randall Eidson at Grace Baptist Church, Michelle and I bowed at the altar together and rededicated our lives to the Lord.... And since that day, we have not stopped serving our God. God would later bless us with two amazing children, Abigail and Joshua. In my mid-20's, I began to sense God's calling on my life into pastoral ministry, which initiated many years of working full-time, pastoring churches, and attending seminary online and at night. Throughout these years, I have had pastors, mentors, teachers, friends, and family who have greatly helped me every step of the way, but unfortunately, there is not enough room here to tell their stories as well. I am originally from Mount Zion, and in 2019, I began

praying about moving back and planting a new church here as well. Initially, a small group started meeting in our home on Wednesday evenings as we prayed and made plans for this new church plant. On February 2, 2020, Mt. Zion Community Church was launched, and we celebrated our first public worship service in the Mount Zion Community Center. Four years and three locations later, we're still celebrating God's faithfulness. Throughout my life, there is one lesson that I have learned over and over, and it's a lesson I hope you have also learned, and that is with God, all things are possible!
